

Polish Christmas Celebration

RSVP

The Polish Cultural Council is proud to bring Polish Culture to the Pittsburgh and surrounding communities. The past 18 months have been challenging with fixed expenses to cover and no events to offset those costs. We are excited to once again bring you Polish programs and traditions to celebrate with your family and friends in the Polish community. Won't you kindly consider a donation to benefit the ongoing costs of the PCC. Your tax-deductible contribution helps to ensure the continuity of our organization and is so genuinely appreciated. Your name will be listed in our Christmas Program. Help support us to continue to bring you our quality Polish Programs.
